

# STARRY NIGHT FLORIDA

## DIRECTIONS AND INFO SHEET

After you have booked your tour, please check your email for updates or other information we may send out. Our tour site is located in starry Southwest Florida, just outside of Beautiful Punta Gorda near the Gulf of Mexico. We are located only 24mi north of Fort Myers/Cape Coral and 50mi south of Sarasota via I-75.

Our Stargazing Tour site:

**Hathaway Park**  
**35301 Washington Loop Rd**  
**Punta Gorda, FL 33982**

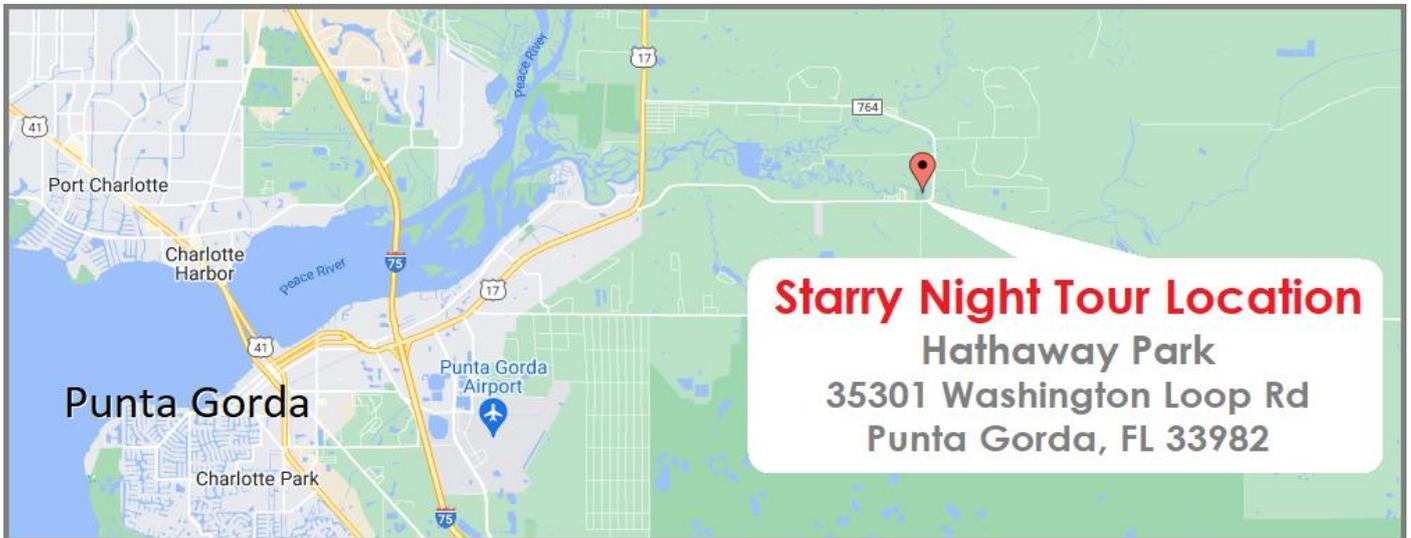

### From Downtown Punta Gorda:

Take Olympia Ave/Hwy 17 east 6.2mi  
Turn right onto Washington Loop Rd,  
Hathaway Park is 4.5mi on your left!

### From I-75,

Take exit 164 Duncan Rd/Hwy 17,  
Go east Duncan Rd/Hwy 17 4.2mi,  
Turn Right onto Washington Loop Rd,  
Hathaway Park is 4.5mi on your left!

### Weather & Cancellation Info

Weather in Florida, rainy or cloudy conditions are a possibility any time of the year. Should there be a weather cancellation, we will send an email alert and contact the phone number given at the time of booking.

As always you have the option to reschedule for a later open date or a full refund. Please call us for further information.

**Lightning Risk:** Frequent lightning can occur in Florida during storms any time of the year. Lightning can strike up to 5-10 mi away from the epicenter. As our tour is outside, we will always err on side of caution should there be a lightning risk and cancel or reschedule the tour.

### Tour Tips

- The tour will begin at the preset time listed on the booking site. Please arrive 15min early for an introduction with your guide.
- Chairs are provided for the duration of the tour.
- Drinks and snacks will also be provided to our guests.
- Long pants and long sleeve shirts are recommended. If there is an issue with mosquitoes, we have mosquito jackets available for use.
- The location is on a flat grassy area of the park and is wheelchair accessible. Please be advised, viewing through the telescope will require the guest be in an upright standing or squatting position approximately 4-5ft high.
